relationship with ExcelR Solutions**

EXCELR
Raising Excellence

OCEG
Oxford Consulting & Education Group

Training methodology	Duration	
Classroom sessions conducted at Kuala Lumpur	6 full Days, conducted back to back	
The recommended maximum strength per batch is limited to 15. However up to 5 more candidates can be accommodated to avoid creation of an additional batch.		
Online live virtual sessions (webinar)	30 days; 2 hrs per day on weekdays (07:00 - 09:00 hrs IST or 20:30 - 22:30 hrs IST)	
In case the above mentioned timing are not suitable and a special time slot is sought then the minimum participants for the said special batch will be 15-20		
Access to training videos (E – Learning)	For a period of 6 months	

Value additions: (Not applicable for 'E – Learning only' participants)

1. Access to our WhatsApp group to interact with other participants from the globe and participate in interview questions
2. Evaluation of assignments by experts
3. Access to webinars on latest topics that are conducted from time to time
4. 'Access for life' to a large repository of recorded training videos that are continually updated
5. Soft copy of training material will be provided by ExcelR-OCEG.
